

ALEXCO

Alexco Resource Corp. (the Company) is a Canadian corporation with corporate headquarters in Vancouver, British Columbia, Canada. Alexco operates two distinctive yet complimentary businesses; mine exploration, development and operations and environmental consulting and remediation services.

Alexco Resource Corp.'s business is to unlock value and manage risk at mature, closed or abandoned minesites through deployment of the company's core competencies and skills which include management of environmental services, execution of mine reclamation and closure operations and where appropriate, rejuvenation of exploration and development activity.

The Government of Yukon has recently issued a Quartz Mining Licence for the Bellekeno mine, being the primary permit authorizing Alexco to immediately commence mine development and mill construction at the site, located within the Keno Hill Silver District, Yukon. To take part in the start up, development and operation of the Bellekeno Mine, Alexco has an immediate opportunity for one:

CHIEF MINING ENGINEER

Reporting to the Mine Manager, the successful candidate will be responsible for:

- Managing the planning and design of the mine and mine structures.
- Managing the technical elements of production to ensure that the systems and processes are supporting the production output goals.
- Producing budgets and forecasts for production.
- Managing and providing guidance to the employees in the engineering group.

The candidate will have a university degree in mining engineering or an equivalent engineering degree and be a registered professional engineer or eligible for such registration. Five to eight years of mine operation and engineering experience is required as well as a minimum of three years experience in a leadership role.

Alexco maintains camp facilities in Elsa, Yukon, where employees and contractors are housed. This position is based in Elsa and the rotation schedule is 14 days on and 14 days off. Alexco provides full benefits packages comparable to current industry standards.

Inquiries about this position and resume submittal can be made to hr@alexcoresource.com. For more information about the Company, please visit www.alexcoresource.com
