## **Intermediate to Senior Environmental Professionals**

**Access Consulting Group** currently has an opening for multiple Environmental Professionals to provide support for environmental programs on a number of its projects. The position(s) will be based in either our Whitehorse or Vancouver office and will require travel to remote sites to oversee implementation of environmental projects related to mining and contaminated sites remediation.

Candidates are being sought with specialized experience in the disciplines of:

- Environmental Engineering;
- Hydrology;
- Hydrogeology;
- Geochemistry;
- Contaminated Site Assessment and Remediation; and
- Mining Environmental Programs.

The successful candidate will be part of a team of professionals, scientists and support personnel who provide ongoing support to Alexco Environmental Group projects in Canada and the US. A minimum of 5+ years of relevant environmental experience is required. Professional registration, or eligibility to obtain registration, within Canada as a P.Eng. or P.Geo. will be considered an asset.

This is a full-time position that will start as soon as possible. Salary will be commensurate with experience, and will include a benefit package. Please send your resume with cover letter by September 15<sup>th</sup>, 2011, to **Access Consulting Group** Human Resources Department, #3 Calcite Business Centre, 151 Industrial Road, Whitehorse, YT Y1A 2V3.
