EMPLOYMENT OPPORTUNITIES

Water Treatment Operator, Permanent Full Time (1 opening)

Access Consulting Group is an Environmental Consulting company based in Whitehorse, Yukon, and is a division of Alexco Resource Corp. We currently have an immediate opening at our Elsa facility for a Water Treatment Operator in our Care and Maintenance Division.

Reporting to the Water Treatment Supervisor, this position will be responsible for the daily operation of multiple treatment sites and facilities. Tasks include, but are not limited to:

- treatment operations,
- pump and process equipment maintenance, and
- lab work including sample preparation and testing.

Requirements for this position are as follows:

- Water treatment training/operations experience;
- College level science courses (an asset);
- Valid Class 3 Yukon Driver's license;
- Mechanical aptitude (eg experience with pumps and process equipment);
- Ability to manage multiple priorities and deadlines;
- Excellent oral and written communication skills;
- Microsoft Office (Excel, Word and Outlook) experience;
- Problem-solving and organization skills;
- First Aid and WHMIS certifications will be considered an asset;
- Laboratory sampling experience; and
- Willingness to travel to remote locations and stay in camp settings.

This is a 2 week on / 2 week off position working 10 hour days out of our Keno Hill operations in Elsa, Yukon.

Please forward your resume with cover letter by **August 6, 2010** to:
